

Honor Motherhood. Fill a Bottle, Fuel a Future

Visitation House 2026 Annual Baby Bottle Drive

Your gift provides a foundation for a new life. This Mother's Day season, Visitation House DeLand is raising vital funds to provide a safe haven, education, and hope for local women in crisis and their babies.

Give Today. Change a Life.

Every contribution helps us reach our goal. You can support a mother and child by:

DONATE IN THE BOTTLE: We gratefully accept cash, change, and checks. Simply place your gift in the baby bottle located here at the counter.

SCAN TO GIVE DIGITALLY: Prefer to use a card? Scan the QR code to make a secure tax-deductible donation. It's the fastest way to "fill a bottle" and fuel a future.

BE A CHAMPION: Your support allows us to provide safe housing, education, and newborn essentials for mothers in our program.
